ONE MAN'S WAY.

"Such and such freedom, etc.," I said, "I cannot understand." But he looked deep into my eyes and—simply kept my hand. "Merely a friend you are," I said, "And liberties like this I never will permit." But he—He only took the key. "My lover? Nonsense, sir!" I said; "I never can love you." But he—he took me in his arms. And said: "You do—you do." "I cannot marry you," I said, "And live with you for life." He simply said: "You will—you will!" And now I am his wife. —Smart Set.

MISS FLORENCE MCDANIEL.

Her Death Yesterday Noon After a Lingering Illness.

Her many friends will deeply regret to learn of the death of Miss Florence McDaniel, which occurred yesterday noon at the home of her uncle, Mr. J. C. Smith, on Sutton street. Some time since Miss McDaniel contracted a deep cold, which developed into bronchitis, resulting in her death.

Decided was the daughter of Mrs. Fannie McDaniel and was born in this city twenty-five years ago. For some time past she had been connected with a leading business house at Toledo, O., continuing her duties until ill health compelled her to return to her home in this city.

Resides her mother, Miss McDaniel is survived by two sisters. She was a very popular girl, by her cheerful disposition making friends of all with whom she came in contact.

The funeral will take place from her late home at 2:30 o'clock Thursday afternoon, with services by Rev. Dr. J. W. Harrop of the Baptist Church and Rev. F. W. Harrop of the M. E. Church, interment in the Maysville Cemetery.

CHURCH ROW IN DAYTON.

Rev. D. P. Holt Hot After the Card Sharps and Other Sports.

There is a split in the congregation of Tower M. E. Church, Dayton, that seems to be widening as the Sunday rolls by. There are several reasons assigned for it, the most important being the sermons that Rev. D. P. Holt has been preaching on cardplaying and going to the theater.

He started a series of these sermons some time ago, and several members quickly took exception to them, but the more sanctified praised the Minister and encouraged him to continue—which he did.

The members who objected to the sermons gradually stopped going to Church, until now there are twenty-seven who are going to different churches, and vow that they will never go to Tower M. E. Church as long as Rev. Mr. Holt is the Pastor.

One of these twenty-seven members said she did not play cards and did not object to the sermons, but that she did not think his conduct was altogether becoming to a Minister. She claims that very few quit on account of the sermons, and that the majority of the members are simply sore at the sermon on cardplaying, but do not want to acknowledge it.

A Trustee in the Church corroborated the Minister's story, and upheld him in every particular.

Up-to-Date Business Methods

Will always win out in competition with antiquated methods. Up-to-date stock will always secure the biggest business when in competition with old-fashioned goods. Especially is this true of clothing and shoes. It sort of narrows down to the survival of the fittest.

TAILOR-MADE CLOTHING

(The only kind we handle) is rapidly taking the place of the ordinary sweat-shop suit (the kind we don't handle). We are essentially up-to-date in our merchandise. Every article that leaves our house is sold with the object in view that the purchaser has value received—and that is the reason we do not have to resort to the cheap-trap advertisements so many of the clothing people nowadays must avail themselves of to bring people to their stores. We claim you cannot go away from home and do as well as with us; our best witnesses are those who try it. Don't overlook our

MEN'S and BOYS' SHOES

Every pair warranted to give satisfaction. Our W. L. Douglas \$3 and \$3.50 Shoes are a revelation to our customers. We want you to see them.
